Discover Our Philosophy

Pure Island Escapism

The resort's location and fresh, vibrant design make it the perfect hideaway to laze about with mangrove vistas, sunset sessions and a sandy cove for sun-soaked days, while island-hopping and jungle-trekking provide the adventurous spirits with all the adrenalin they can possibly need.

An Oasis for Couples and Solo Travellers

Not just an ideal honeymoon destination, the resort's chic rooms and villas are designed to perfectly frame Samui's fabled sunsets, with soaking bathtubs and private pools promising plenty of relaxing moments, whether solo or as a couple.

Sustainable Living

From banning plastic straws and offering plentiful vegan and vegetarian dining options to encouraging guests to experience non-motorised sports, the resort wholeheartedly embraces the all-natural island living and goes to great lengths to connect with Samui's green spaces with initiatives in place to protect the environment.
